HARVEST INTERNATIONAL CHURCH
THE FIELDS ARE RIPE

Harvest Time International Missions

Missions Newsletter | Fall / Winter 2026

Dear Soul Winning Partners,

Grace and peace to you in Jesus' mighty name! Together we are about our Father's business.

I want to start by sayin' thank you. Every grain of rice, every Bible, every conference and every prayer you've sent with us has gone farther than you know. When I first started going to Asia I never dreamed the Lord would open doors in seven nations. But that is right where we are today, preaching the gospel of the Kingdom in Thailand, Cambodia, Myanmar and Laos, and in Uganda, Kenya and Malawi.

In Kakamega, Kenya, where Apostle David Kenney and Harvest Time Missions planted a church, and across Uganda, we hold leadership conferences to train pastors and leaders. These men and women are hungry for the Word. The Holy Spirit is present to save, heal and deliver. Jesus said in **John 14:16** that He would give us *another* Helper, one just like Him, and that He would not leave us orphans.

In Cambodia we go back to the landfill to minister to the precious families who live there. We carry about 2,000 pounds of rice, along with clothes and shoes for the children. Many have no shoes at all, and that ground is covered in glass.

> *"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."*
> MATTHEW 25:40

Here at home we're still going into the jail, now on the 1st and 3rd of every month, the way we have for over 25 years. Whether it's a landfill in Cambodia or a cell block in Georgia, the message is the same: Christ is the answer.

I could not do any of this without you. **When I go, we go!** We are one. Please pray and ask the Lord what you can sow to help us finish this work, and I pray the Lord Jesus blesses and multiplies every seed you plant.
